

What is Yellowfoot Lodge?

A venue for your next meeting.

Home to your big new idea.

A place to engage your team.

What it could be is up to you!

Yellowfoot Lodge

Meeting space redefined.

When you are away from the office you should feel special – here at Yellowfoot we understand this perfectly!

Yellowfoot Lodge is a fantastic venue that you'll enjoy exclusive use of during your day.

Your main meeting room is full of natural daylight. Space for up to 50 people.

A coffee/kitchen area where you know most people will hang out!

An outside deck area to enjoy, weather permitting, for lunches and additional break out space.

On arrival your guests will be greeted with breakfast snacks, toast, fresh juices, tea, and of course plenty of fresh coffee. Donuts or a healthier alternative are served during the first break. Lunches are a blend of wonderful

buffet items catered to your dietary requirements, meaning there's something for everyone to enjoy. Lunch also includes a fresh fruit salad and drinks. If you've room for more, in the afternoon there are chocolate nibbles or again something healthier. An additional bowl of fruit will be in the kitchen area for the duration of the day too! Tables have popular sweets and water all refreshed during the day. Tea and coffee is available throughout the day.

Included are all food and beverages during the day, flip charts at your request, free wireless internet, full use of AV equipment in the main room, and plenty of FREE parking.
